The reply filed on 3/1/2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has failed to elect a single species for prosecution. The examiner has identified that the application contains claims directed to the following patentably distinct species directed to the heart valve assembly encompassing eight embodiments as shown respectively in Figure 11; 17; 20A; 20B; 20C; 20D; 20E; and 22. **Applicant is required under 35 U.S.C. 121 to elect a single disclosed species for prosecution on the merits** (ie. one species from the eight embodiments above.). If applicant does not believe the species are distinct, then a positive statement to that effect should be made by the applicant.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DAVID J. ISABELLA whose telephone number is 571-272-4749. The examiner can normally be reached on MONDAY-FRIDAY.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, CORRINE MCDERMOTT can be reached on 571-272-4754. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
